# MEGHAN COMBS

## SKILLS

*Programming:* **C#, MVC, JavaScript, Bootstrap, CSS3, HTML5**

*Art Background:* **Allows me to solve problems creatively and bring visual skills to back-end coding projects**

## EDUCATION

**Full-Stack Developer Certification**
Coder Foundry, Kernersville

**M.A. Art History-Museum Studies**
CUNY City College, New York

**B.A. Art History,** *Magna cum Laude*
University of North Carolina, Greensboro

## EXPERIENCE

**Full-Stack Developer Student | Coder Foundry, NC | 2017**

I completed three MVC projects and demonstrated my knowledge of JavaScript and C#. Here is my portfolio website: http://mcombs-portfolio.azurewebsites.net/

Accomplishments: For most of the 18-week course I led the class in aptitude and project completion.

**Gallery Manager | Blumka Gallery, NY | 2015-2017**

My main tasks involved database management, art fair and exhibition coordination, and bookkeeping.

Accomplishments: I conceptualized and re-designed the gallery's website and implemented a new database.

**Visitor Experience | Rubin Museum, NY | 2010-2014**

I started in the Visitor Experience department and was promoted to Coordinator of Volunteers.

Accomplishments: I created unique tasks for the volunteers.

**Graduate Intern | Metropolitan Museum of Art: The Cloisters, NY | 2012-2013**

I collaborated with the Assistant Director of Education to research the collection for tours.

Accomplishments: I was the first graduate intern ever.
